

COUNTRY PROGRAMME ACTION PLAN

BETWEEN

THE GOVERNMENT OF NEPAL

AND

THE UNITED NATIONS DEVELOPMENT PROGRAMME IN NEPAL

Addendum Extending the Country Programme Action Plan 2011-2012

## **Contents**

Revised Results and Resources Framework

Annex: Revised CPAP Monitoring and Evaluation Plan (Extension 2011-2012)

Annex A: Revised M & E Framework

Annex B: Revised Evaluation Plan

**EXTENDED CPAP RESULTS AND RESOURCES FRAMEWORK (2011-2012)**

National Priority:		Peace Building	UNDAF Outcome A: National institutions, processes and initiatives strengthened to consolidate peace				
UNDP Programme Component:		Peace Building, Recovery and Reintegration					
UNDP Country Programme Outcomes	Expected Outputs and indicators	Indicative Output targets	Major Partners	Indicative Resources (per year, US\$)			
				2011	2012	Total	
<b>1.1 Increased access to and participation in constitution building and free and fair electoral processes.</b>  (UNDAF CP Outcome A.1. Constituent Assembly and Elections: Equitable citizen access to legislative procedures and inclusive, meaningful participation in constitution building and electoral processes).	1.1.1. Capacities of Constituent Assembly (CA)/Legislative Parliament (LP) delegates and technical advisors developed to produce a new constitution (subject to the CA's/LP's request), and CA/LP Parliamentary Secretariat and committee systems and procedures strengthened to support the CA/LP. <sup>1</sup>  <u>Output Indicators:</u> – # of CA/LP members trained on constitutional and legislative issues <sup>2</sup> – # of requests for technical assistance to Constitutional bodies/commissions fulfilled <sup>3</sup>	<u>Annual Targets:</u> <b>2011</b> – CCD's future as a national institution providing high value technical support on democracy and governance consolidated – 200 of CA/LP members and party leaders including 40 key political actors have increased understanding of consensus building, constitutional issues, law adaptation and other issues – 40 working sessions on constitutional/legal issues (seminars, workshops, consultations) conducted for parliamentary committees and CA members – 12 working sessions (seminars, workshops, consultations) conducted for relevant commissions and caucuses (Women, Dalit, Madhesi etc) on constitutional/legal issues	Implementation: UNDP  Partners: MoPR, High Level Commissions, Parliamentary Secretariat, Election Commission, Law Commission, Political Parties, Women's Associations, NHRC, DFID, DANIDA, and selected I/NGOs	<b>Regular Resources \$400,000</b>			
				400,000	--	400,000	
				<b>Other Resources \$1,500,000</b>			
				1,500,000	--	1,500,000	

<sup>1</sup> Reference to "Legislative Parliament (LP)" added to original output statement.

<sup>2</sup> Indicator revised; see M & E Framework annexed

<sup>3</sup> Indicator revised; see M & E Framework annexed

<p>1.1.2. Selected civil society organizations supported to facilitate participation of excluded groups in the development of the new constitution.</p> <p><u>Output Indicators:</u></p> <ul style="list-style-type: none"> <li>– # of submissions to the CA by UNDP-supported CSOs.</li> <li>– % of submissions to the CA by UNDP-supported CSOs which are incorporated in the new constitution</li> </ul>	<p><u>Annual Targets:</u></p> <p><b>2011</b></p> <ul style="list-style-type: none"> <li>– Citizen's understanding of, submissions on, and commitment to the new constitution strengthened</li> <li>– 4058 dialogues conducted (at least 1 in every VDC and Municipality)</li> <li>– 12 Federalism dialogues conducted</li> <li>– 5 dialogues organized on women rights and gender issues in the new constitution</li> <li>– Outreach strategy and action plan including core materials developed for mass media campaign</li> </ul>	<p>Implementation: UNDP</p> <p>Partners: GON (implementing body responsible for the implementation of the Peace process)</p>	<p><b>Regular Resources: \$620,000</b></p> <table border="1" data-bbox="1615 320 2058 424"> <tr> <td>370,000</td> <td>250,000</td> <td>620,000</td> </tr> </table> <p><b>Other Resources: \$ 2,630,000</b></p> <table border="1" data-bbox="1615 528 2058 687"> <tr> <td>1,380,000</td> <td>1,250,000</td> <td>2,630,000</td> </tr> </table>			370,000	250,000	620,000	1,380,000	1,250,000	2,630,000

	Local bodies make it mandatory to conduct feasibility and environmental assessment in planning and building rural roads	n/a	n/a	Study on rural roads conducted	Local level plans include environment and climate indicators	MLD	New indicator 2011-2012
4.1.4. Implementation of MEAs, in particular in the areas of climate change, biodiversity, and desertification, supported.	# of projects registered for carbon financing	Two CDM projects based on bio-gas have already been registered in the CDM board; an emission reduction purchase agreement (ERPA) was signed between the Alternative Energy Promotion Centre (AEPCC) and the World Bank (WB) for a micro-hydro based CDM project which is about to be registered in the CDM Board (2007).	At least three additional projects for carbon finance will be prepared (with support from UNDP)	Work on consolidating of micro-hydro schemes for carbon financing under progress			Output completed by end 2010
4.1.5. Capacity at the national and local level enhanced for	# of policy reviews	Sectoral policy not responsive to wetland issues and concerns	4 policies reviewed and National Wetland Policy (2003)	4 Wetland impacting Sectoral policies reviewed and policy recommendations	5 ministries internalize and allocate resources for	Project and sectoral ministries plans and reports.	

<b>Outcomes and Outputs</b>	<b>Indicator(s)</b>	<b>Baseline(s)</b>	<b>Original Target(s) for 2010</b>	<b>Status End 2010</b>	<b>Targets for 2012</b>	<b>Source(s)/Means of Verification; (Timing)</b>	<b>Remarks</b>
increased access to and sustainable use of wetland resources (Output added in 2008)		(2008)	revised	forwarded for integration into respective sectors	wetland conservation in their annual plans; National Wetland Policy 2003 revised and becomes functional and binding in targeted 8 sectors.		
	<b>National level coordination mechanism for wetland policy advocacy in place</b>	No national level co-ordination mechanism (2008)	National Wetland Committee formed and operational; focal desk in MFSC and key sectoral Ministries formed and operational	National Wetland Committee [NWC] operational and 2 meetings held. Environment Division has been designated as its Secretariat	National Wetland Committee fully equipped and functional	Project and sectoral reports.	
	<b>Economic valuation techniques of wetland resources developed</b>	No standard valuation techniques available (2008)	Economic valuation tool of wetlands resources prepared and tested in 2 demonstration sites	Economic Valuation Tool for wetlands developed through case studies	Economic valuation guideline endorsed And used by at least 2 key sectoral ministries.	Technical reports and project reports	
	<b># of communication and education materials related to wetlands</b>	No such standard materials available baseline (2008)	5 types of CEPA (communication, education and public awareness) materials related	4 types of CEPA Materials – Training of trainers (ToT) manual, wetland resource book, posters and strategy,	Wetland related technical knowledge base and tools (Economic Valuation, WIAM,	Technical reports and project reports	

Outcomes and Outputs	Indicator(s)	Baseline(s)	Original Target(s) for 2010	Status End 2010	Targets for 2012	Source(s)/Means of Verification; (Timing)	Remarks
			to wetlands produced and disseminated	and dissemination framework developed.	CEPA) widely used by all sectoral ministries		
	<b>% of wetland-dependent communities (WDCs) benefiting from IG and enterprise activities</b>	433 HHs at GLC & 1126 HHs at KTWR have been identified as WDCs (2008)	35% of wetland dependent (WDC) households benefited	46% WDC household benefitted from IGA (156 HHs at KTWR and 59 in GLA) out of 463 tagged WDC HHs	All 463 tagged WDC hhs, involved in income generating activities	Project Reports	
	<b>multi-stakeholder forum for wetland management formed</b>	No multi-stakeholder forum exists (2008)	1 multi-stakeholder forum for wetland management formed at Ghodagodi lake	MSF operational and active. Integration of wetland issues and concerns into local level planning started	Multi-stakeholder forum fully functional and integrate wetland issues in the plans of DDCs and VDCs.	Project reports	
	<b>% of *WPSE in decision making levels</b>	User Groups include 33% women (end 2009)	Women – 33% PSE - proportionate to the population in the project sites	50% women's representation at decision making level at BZUC.	50% WPSE in decision making levels at BZUC.		
<b>4.1.6. Priority adaptation actions implemented in selected districts to build communities resilience to climate change</b>	<b># of vulnerable communities identified for integrated climate change adaptation and risk reduction actions</b>	Not yet identified	n/a – new output for 2011	See baseline	10 selected communities integrating climate change adaptation and risk reduction actions	Project Reports	New indicator for the new output
	<b># of communities in</b>	No capacity at the	n/a – new output	See baseline	2 communities	Project Reports	New indicator

Outcomes and Outputs	Indicator(s)	Baseline(s)	Original Target(s) for 2010	Status End 2010	Targets for 2012	Source(s)/Means of Verification; (Timing)	Remarks
(new output)	selected VDCs with enhanced capacity for integrating CCA into local level planning	local level as yet	for 2011		with enhanced capacity for integrating CCA into local level planning		for the new output
	# of adaptation actions implemented at vulnerable communities	Not implemented yet except few isolated pilot initiatives	n/a – new output for 2011	See baseline	2 adaptation actions implemented at vulnerable communities	Project Reports	New indicator for the new output
4.2. Risks of natural hazards to rural and urban livelihoods and infrastructure reduced.	<b>Disaster risk management integrated into the livelihoods and infrastructure related sectoral plans of the government</b>	<i>Limited reference to disaster risk management issues in sectoral plans;</i>	<i>Disaster risk management integrated into the livelihoods and infrastructure related sectoral plans of the government</i>	<i>Priorities for disaster risk reduction were emphasized in the Approach Paper for 3-year national development plan,</i>	<i>Disaster risk management integrated into the livelihoods and infrastructure related sectoral plans of the government</i>	<i>MoHA, Ministries</i>	<i>2010</i>
4.2.1. Capacities of key ministries, local bodies, CSOs and communities enhanced for planning and implementation of disaster risk management, emergency response and early recovery, in selected districts.	# of Disaster Risk Reduction (DRR) Units established in key ministries and local bodies	A unit exists only within the MoHA	15 units by end 2010	26 units	28 units	MoHA; Ministries, Municipalities	2010
	# of district level organizations working on DRR issues	Mapping to be conducted in 9 programme districts in early 2008	15 (NGOs and CBOs)	5 municipalities, 25 community groups and 5 NGOs working on DRR issues	n/a	MoHA; DP-Net	Indicator dropped for 2011-2012
	<b>Disaster Management Information System (DesInventar) institutionalized</b>	DesInventar only available at the National Society for Earthquake	DesInventar software installed in MoHA together	A national emergency operations center was established at	Accurate and timely disaster data being generated by	MoHA	

<b>Outcomes and Outputs</b>	<b>Indicator(s)</b>	<b>Baseline(s)</b>	<b>Original Target(s) for 2010</b>	<b>Status End 2010</b>	<b>Targets for 2012</b>	<b>Source(s)/Means of Verification; (Timing)</b>	<b>Remarks</b>
	<b>within MOHA</b>	Technology (NSET)	with necessary equipment and at least five staff in the disaster management section trained	the central level which will coordinate disaster related information	MoHA		
	# of municipalities implementing national building codes	3 Municipalities	5 additional Municipalities by 2010	Partial implementation in 4 municipalities	n/a	MoPPW, MLD, Municipalities	Indicator dropped for 2011-2012 as support will focus more on upgrading the codes
	# of disaster mitigation structures constructed	54 flood, landslide, and earthquake mitigation structures construction with UNDP support (in 2007)	33 additional flood mitigation structures	A total of 138 flood mitigation structures	n/a	NRCS and NRCS district chapters	Indicator dropped in 2011-2012 as nature of support changed
	# of national and sectoral plans of key ministries allocating financial resources for disaster risk management	No plans allocate resources for DRM	n/a	No plans allocate resources for DRM	4 sectoral plans allocate resources for DRM	MLD, MoHA, MoPPW, other plan documents	

**Annex B: Revised Evaluation Plan (CPD/CPAP Extension 2011-2012)**

**Evaluation Plan for: NEPAL  
 Programming Cycle: 2008-2012  
 Date: December 2010**

Evaluation Title	Partners (joint evaluation)	UNDP Strategic Plan Component	CPD or CPAP Outcome	Evaluation Completion Date	Key evaluation stakeholders	Resources for Evaluation and Sources of Funding	Mandatory Evaluation ? (Y/N)	Evaluation Status* (as of December 2010)	Reports uploaded in ERC? (Y/N)
<b>UNDAF Evaluations</b>									
Gender and social inclusion strategies	UNDP, UNICEF, UNFPA	n/a	n/a	2011	UN agencies, Government of Nepal	Joint funding by UN agencies	Yes	Initiated	
<b>Outcome Evaluations</b>									
Livelihoods for recovery and sustainable development		Poverty eradication and achievement of internationally agreed development goals, including the MDGs <i>and</i> Environment and sustainable development	3.1 Employment and income opportunities and access to financial services enhanced, especially for youth and excluded groups in partnership with the private sector <i>and</i> 4.1 Environment and energy mainstreamed into national and local development planning with a focus on gender, social inclusion	2010	MoICS,	\$60,000 Projects contributing to the outcome	Yes	Initiated	

			and post-conflict rehabilitation						
Responsive and accessible justice systems		Democratic Governance	Responsive and accessible justice systems to promote gender equality, social inclusion and the rule of law including both formal and informal mechanisms	2010	MoLJPA, Court System, Nepal Bar Association	\$40,000 Projects contributing to the outcome	Yes	Done	
Energy and Environment		Environment and sustainable development	4.1 Environment and energy mainstreamed into national and local development planning with a focus on gender, social inclusion and post-conflict rehabilitation	2011	TBD as TOR developed	\$50,000 Projects contributing to the outcome	Yes	Pending	
<b>Project Evaluations</b>									
Western Terai Landscape Complex Project – Mid-term evaluation	UNDP/GEF	Energy and environment for sustainable development	Environment and energy mainstreamed into national and local development planning with a focus on gender and social inclusion, and post-conflict rehabilitation	2010	MFSC, DNPWC, DoF, MoAC, DoA, DoL, DDC, VDC, BZMC, DFCC	US\$50,000 Project budget	Yes	Initiated	

Conservation and Sustainable Use of Wetlands in Nepal project – mid-term evaluation	UNDP/GEF	Energy and environment for sustainable development	Environment and energy mainstreamed into national and local development planning with a focus on gender and social inclusion, and post-conflict rehabilitation	2011	MFSC, DNPWC, DoF, DDC, VDC, BZMC, DFCC	US\$50,000 Project budget	Yes	Pending	
Local Governance and Development Programme Evaluation	UNDP/UN CDF	Democratic Governance	Local government capacity enhanced for resource mobilization, building partnership with the private sector, and inclusive planning, programming, budgeting, implementation and monitoring	2010	MoLD, Local Government Associations	US\$ 35,000 Project budget		Done	
Institutional Strengthening and Professional Development Support for the Election Commission of Nepal		Democratic Governance	1.1 Increased access to and participation in constitution building and free and fair electoral processes.	2010	Elections Commission of Nepal	US\$ 21,150		Initiated	

Building Inclusive Financial Sectors in Nepal Mid-term evaluation	UNDP/UNCDF	Poverty eradication and achievement of internationally agreed development goals, including the MDGs		2011		US\$35,000 Project budget	Yes	Pending	
Quick Impact Peace Support Initiatives (DLGSP)	UNDP/Norway	Democratic Governance	2.1. Increased capacity of the Government at the national and local level to manage resources and deliver basic services in an inclusive and equitable manner	2010	Ministry of Local Development	US\$ 9,000	No	Initiated	

\* Evaluation Status: Pending, Initiated or Done
