# Evaluation Policy

2006

UNDP's evaluation policy was developed to strengthen the organization's evaluation function

2019

Revised UNDP Evaluation Policy adopted by the UNDP Executive Board

## Key new features of the 2019 UNDP Evaluation Policy

Includes the Sustainable Development Goals in the evaluation principles

Allocates 0.3% of UNDP's combined programmatic resources to independent evaluations

Expands IEO oversight of UNDP's decentralized evaluation function to:

assess UNDP regional and country offices

participate in the recruitment of independent evaluators

assess the quality and utility of evaluations commissioned

support capacity building on evaluation
