13-17 September 1999
Item 5 of the provisional agenda
UNOPS

FINANCIAL, BUDGETARY AND ADMINISTRATIVE MATTERS

Responsibility of the United Nations Office for
Project Services in personnel matters: supplementary information

1. The present document is based on further consideration, in consultation with the Management Coordination Committee (MCC) and with the Under-Secretary-General for Management, of issues raised subsequent to the submission of document DP/1999/38 concerning the responsibility of the United Nations Office for Project Services (UNOPS) in personnel matters. It proposes a replacement of the draft decision put forward in paragraph 30 of DP/1999/38 with text reflecting that the objectives of the document may be achieved through more than one mechanism.

As a first step toward achieving appropriate authority and accountability for the Executive Director, the present document proposes a draft decision through which the Administrator of the United Nations Development Programme (UNDP) shall delegate to the Executive Director authority to issue UNOPS letters of appointment and to administer UNOPS staff. The Executive Director therefore proposes that the draft decision put forward in paragraph 30 of DP/1999/38 be replaced with the following text:

2. Reaffirm that appropriate authority and corresponding accountability for personnel matters should be vested in the Executive Director, in accordance with the proposals contained in document DP/1994/62, of which the Executive Board took note in its decision 94/32, and with Executive Board decision 99/12, including the authority to issue United Nations Office for Project Services letters of appointment;
3. Request, as a first step, that the Administrator of the United Nations Development Programme delegate to the Executive Director authority to
