GOVERNING COUNCIL
Twenty-eighth session
June 1981
Agenda item 10(a)

ACTION TAKEN IN 1980 BY ORGANS OF THE UNITED NATIONS AND RELATED AGENCIES

Addendum

Attached is the text of a resolution adopted by the fifteenth session of the Industrial Development Board regarding the resources for the Special Industrial Services Programme.

/...

Special Industrial Services programme

The Industrial Development Board,

Recalling General Assembly resolution 33/78 of 15 December 1978, in which the Assembly recommended to the Governing Council of the United Nations Development Programme an appropriate increase in the annual volume of financial resources under the Special Industrial Services programme.

Recalling also the New Delhi Declaration and Plan of Action on Industrialization of Development Countries and International Co-operation for their Industrial Development, which urged a doubling of the annual level of financial resources available to the Special Industrial Services programme.

Recalling further its resolution 49 (XIV) of 19 May 1980 on the Special Industrial Services programme, and reaffirming its conviction of the efficacy and usefulness of the programme in meeting the needs of developing countries.

Invites the Governing Council of the United Nations Development Programme at its next session, in June 1981, to consider measures at least to double the annual level of resources of the Special Industrial Services programme during the third country programme cycle of the United Nations Development Programme, starting in 1982.

GOVERNING COUNCIL
Twenty-eighth session
June 1981
Agenda item 10 (a)

ACTION TAKEN IN 1980 BY ORGANS OF THE UNITED NATIONS AND RELATED AGENCIES

Note by the Administrator

1. In accordance with established practice, the attention of the Governing Council is drawn to those resolutions and decisions adopted in 1980 by the General Assembly, the Economic and Social Council and the organizations within the United Nations system which call for action by or are of particular interest to the United Nations Development Programme.

2. With the exception of those resolutions **that require action by, or are of direct concern to, the Governing Council and/or UNDP**, in which the relevant operative paragraphs have been excerpted for the convenience of the Council, only titles of resolutions have been given for resolutions of the General Assembly and the Economic and Social Council. This is in accordance with General Assembly resolution 2836 (XXV) relating to reduction of documentation, which states that texts available in easily accessible documents should not be incorporated in or annexed to reports.

I. RESOLUTIONS ADOPTED BY THE GENERAL ASSEMBLY
AT ITS THIRTY-FIFTH SESSION

A. Resolutions requiring action by or of direct concern to the Governing Council/UNDP

35/10 Pattern of conferences

C. Special Conferences of the United Nations

"1. Invites Member States and United Nations organs, when considering the convening of special conferences, to ensure that the objectives of the proposed conference are such that they have not been achieved and cannot be pursued within a reasonable time-frame through the established intergovernmental machinery of the United Nations and the specialized agencies; ..."

35/18 Proclamation of the International Drinking Water Supply and Sanitation Decade

"4. Calls upon Governments, organs, organizations and bodies of the United Nations system and other intergovernmental and non-governmental organizations concerned to continue and, if possible, to increase their technical and financial co-operation with developing countries in order to enable them to attain the targets they have set, and to continue also their efforts to co-ordinate their activities so as to maximize the impact of their assistance to developing countries; ..."

35/21 Question of Bermuda, the British Virgin Islands, the Cayman Islands and Montserrat

"9. Requests the administering Power to continue to enlist the assistance of the specialized agencies and other organizations within the United Nations system in accelerating progress in all sectors of the national life of those Territories;..."

35/24 Question of the United States Virgin Islands

"9. Requests the administering Power to continue to enlist the assistance of the specialized agencies and other organizations of the United Nations system in the development and strengthening of the economy of the United States Virgin Islands; ..."

35/25 Question of the Turks and Caicos Islands

"8. Requests the administering Power, in the light of the conclusions and recommendations of the Visiting Mission, to continue to enlist the assistance of the specialized agencies and other organizations within the United Nations system, as well as other regional and international bodies, in the strengthening, development and diversification of the economy of the Territory; ..."

35/29 Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples by the specialized agencies and the international institutions associated with the United Nations

"Noting with satisfaction the intensified efforts of UNDP in the extension of assistance to the national liberation and commending the initiative taken by that body in establishing channels for closer, periodic contacts and consultations between the specialized agencies and other organizations of the United Nations system and the Organization of African Unity and the national liberation movements in the formulation of assistance programmes. ...

"4. Expresses its concern that the assistance extended thus far by the specialized agencies and other organizations of the United Nations system to the colonial peoples, particularly the people of Namibia and their national liberation movement, the South West Africa People's Organization, is far from adequate in relation to the actual needs of the peoples concerned; ...

"8. Recommends that the specialized agencies and other organizations of the United Nations system should initiate or broaden contacts with the colonial people in consultation with the Organization of African Unity, review their procedures in respect of the formulation and preparation of assistance programmes and projects and introduce greater flexibility in those procedures so as to be able to extend the necessary assistance without delay to help the colonial peoples and their national liberation movements ...; ...

"11. Welcomes the achievement of independence by the peoples of Zimbabwe and Vanuatu and invites all Governments, the specialized agencies and other organizations of the United Nations system to extend the maximum possible assistance to the Governments of the two countries in their respective efforts to achieve national reconstruction and economic development; ...

"14. Requests the specialized agencies and other organizations of the United Nations system to extend substantial material assistance to the Governments of the front-line States in support of the struggle of the people of Namibia and their sole and authentic representative, the South West Africa People's Organization, for the achievement of freedom and independence; ...

"16. Urges the executive heads of the specialized agencies and other organizations of the United Nations system, having regard to the recommendations contained in paragraph 8 above, to formulate with the active co-operation of the Organization of African Unity and to submit, as a matter of priority, to their governing and legislative organs concrete proposals for the full implementation of the relevant decisions of the United Nations, in particular specific programmes of assistance to the peoples of the colonial Territories and their national liberation movements; ..."

35/30 United Nations Educational and Training Programme for Southern Africa

"4. Requests the Secretary-General and the Administrator of UNDP to take appropriate steps to ensure that the administration of the United Nations Educational and Training Programme for Southern Africa, both at Headquarters and in the field, is able to cope with the increased demand placed upon the Programme for the provision of educational and training assistance;..."

35/56 International Development Strategy for the Third United Nations Development Decade

"2. Adopts the International Development Strategy for the Third United Nations Development Decade, as set forth in the annex to the present resolution."

35/58 Special action related to the particular needs and problems of land-locked developing countries

"6. Commends the UNDP ... for their work and the assistance they have provided to the land-locked developing countries and invites them to continue to take appropriate and effective measures to respond to the specific needs of those countries;..."

35/61 Action programme in favour of developing island countries

"3. Invites the competent organs of the United Nations system to take further measures as necessary to enhance their capacity to respond positively to the specific needs of developing island countries during the Third United Nations Development Decade: ..."

35/64 Special measures for the social and economic development of Africa in the 1980s

"6. Invites the UNDP, as well as other development banks or funds, actively to consider assisting in providing adequate resources which could contribute to the implementation of the Lagos Plan of Action; ..."

35/67 Science and technology for development
B. United Nations Interim Fund for Science and Technology for Development

"1. Notes with concern that the financial resources currently available to the United Nations Interim Fund for Science and Technology for Development are grossly inadequate to meet the already demonstrated needs and aspirations of developing countries for science and technology for development;

"2. Emphasizes the importance of ensuring that the Vienna Programme of Action on Science and Technology for Development, as endorsed by the General Assembly, is respected and fully implemented; ..."

35/68 Report of the World Food Council

"7. Calls upon the international community to support the national efforts of developing countries to increase their food and agricultural production by increased technical and capital assistance, in particular for food-sector strategies that have already been adopted by interested developing countries, taking into account at the same time the fact that the existence of a food-sector strategy should not be a pre-condition for the granting of development assistance; ..."

35/69 Situation of food and agriculture in Africa

"3. Calls upon the international community to continue to support efforts undertaken by African countries at the national, subregional and regional levels to increase food production through, inter alia, the provision, on a priority basis, of additional financial and technical assistance to Africa by the International Fund for Agricultural Development, the African Development Bank and UNDP and an increase in lending by the World Bank to the agricultural sector in Africa; ...

"6. Urges Government and the international organizations concerned to provide the necessary technical, financial and food assistance to food security projects in the region, especially in the countries of the Sahel and the Sudano-Sahelian countries, in the framework of their own activities,

"11. Urges all relevant organs, organizations and bodies of the United Nations system to intensify their activities in Africa to assist Governments, inter alia, in the areas of direct government participation in food production, agricultural processing, integrated research and extension services; ...

"13. Further urges all relevant organs, organizations and bodies of the United Nations system to expand their training programmes in the building up of national capabilities for the preparation, execution, monitoring and evaluation of agricultural development projects; ..."

35/72 Implementation in the Sudano-Sahelian region of the Plan of Action to Combat Desertification

"2. Takes note with satisfaction of the progress made by the United Nations Sudano-Sahelian Office in assisting the Governments of the region under a joint venture of the United Nations Environment Programme and UNDP, in implementing the Plan of Action;

"3. Commends the Executive Director of the United Nations Environment Programme and the Administrator of UNDP for the effective and co-ordinated manner in which they have continued to support the joint venture; ...

"6. Also notes with satisfaction the decisions of the Governing Council of the United Nations Environment Programme and the Governing Council of UNDP to expand and strengthen their support to the joint venture and invites them to continue their support so that the United Nations Sudano-Sahelian Office may carry out its expanded responsibilities at a level commensurate with the pressing needs of the region; ..."

35/73 Implementation of the Plan of Action to Combat Desertification

"3. ... invites the organs, organizations and bodies of the United Nations system to extend their full co-operation to the UNEP in its task of ensuring the implementation of the Plan of Action to Combat Desertification; ..."

35/74 International Co-operation in the field of the environment

"3. Requests all organs, organizations and bodies within the United Nations system to continue to co-operate with the United Nations Environment Programme in the preparation of the System-Wide Medium-Term Environment Programme and the perspective document; ...

"9. Further welcomes the launching, in March 1980, of the World Conservation Strategy and urges all Governments and international organizations, as well as organs, organizations and bodies of the United Nations system, to take it into account in developing their policies and programmes; ..."

35/78 Effective mobilization and integration of women in development

"4. Calls upon all organs, organizations and bodies of the United Nations system to give sustained attention to the integration of women in the formulation, design and implementation of development projects and programmes, in the context of the implementation of the International Development Strategy for the Third United Nations Development Decade;

"5. Calls upon all Governments, regional commissions and other organs, organizations and bodies of the United Nations system to make every effort to implement the recommendations and resolutions of the World Conference of the United Nations Decade for Women related to the integration of women in the development process;

"6. Urges the United Nations Conference on New and Renewable Sources of Energy and the United Nations Conference on the Least Developed Countries, as well as the organs, organizations and bodies of the United Nations System concerned with the International Drinking Water Supply and Sanitation Decade, proclaimed by the General Assembly in resolution 35/18 of 10 November 1980, to take fully into account the needs and concerns of women; ..."

35/80 Role of qualified national personnel in the social and economic development of developing countries

"1. Takes note of the report of the Administrator of the United Nations Development Programme on the role of qualified national personnel in the social and economic development of developing countries; ...

"6. Further invites the recipient Governments and the Governing Council of UNDP to take into account the urgent need for qualified national personnel while identifying intercountry projects in the third programming cycle, 1982-1986; ...

/...

"8. Further requests the Director-General for Development and International Economic Co-operation to prepare, in consultation with UNDP and the relevant organizations of the United Nations system, as well as with the Governments concerned, a progress report on the implementation of the present resolution and to submit it to the General Assembly at its thirty-seventh session through the Economic and Social Council at its second regular session of 1982."

35/81 Comprehensive policy review of operational activities for development

"7. Invites the governing bodies of the relevant organs, organizations and bodies of the United Nations system, as appropriate, to consider new and specific ways and means of mobilizing increased resources for operational activities for development on an increasingly predictable, continuous and assured basis;

"8. Invites the organs, organizations and bodies of the United Nations system to develop, in the light of section V of the annex to General Assembly resolution 32/197, specific recommendations on measures to reduce administrative and other support costs, to achieve maximum uniformity and harmonization of administrative, financial, budgetary, personnel and planning procedures and to improve the project procedures in the execution of operational activities for development of the United Nations system;

"9. Invites the Secretary-General and the heads of organs, organizations and bodies of the United Nations system to adopt, in the meantime, all possible measures to improve management procedures, to reduce administrative and other support costs, and to enhance over-all efficiency in the execution of programmes and projects in the field of operational activities for development with a view to increasing the proportion of resources available to meet the assistance requirements of developing countries; ...

"11. Urges Governments and the organs, organizations and bodies of the United Nations system to accelerate their efforts for the effective implementation of section V of the annex to General Assembly resolution 32/197 and, in this context, requests the heads of the relevant organs, organizations and bodies of the United Nations system to continue to take all necessary measures to improve coherence of action and effective integration at the country level, in accordance with the objectives and priorities of the Governments concerned, of the various sectoral inputs from the United Nations system;

"12. Welcomes the progress being made in the implementation of paragraph 34 of the annex to General Assembly resolution 32/197 and requests the Secretary-General to complete as expeditiously as possible the process of designation of resident co-ordinators, taking fully into account the provisions of Assembly resolution 34/213;

"14. Further decides to consider, at its next comprehensive policy review on operational activities for development, the question of the establishment of a single governing body for United Nations operational activities for development, in accordance with paragraph 35 of the annex to General Assembly resolution 32/197;

35/82 United Nations Special Fund for Land-Locked Developing Countries

"4. Requests the Administrator of UNDP, in consultation with the Secretary-General of the United Nations Conference on Trade and Development and with other related institutions, to pursue action in favour of land-locked developing countries within the framework of the interim arrangements, taking into account that each country concerned should receive appropriate technical and financial assistance."

35/83 United Nations Development Programme

"2. Notes, in particular, the decisions taken by the Governing Council on the preparation for the third programming cycle, 1982-1986, including the strengthening of the country programming process through continuous programming and the arrangements for enhancing the involvement of the developing countries in the planning of the regional programmes;

"3. Notes with approval Governing Council decision 80/44 of 27 June 1980 concerning the reimbursement by UNDP of agency support costs and the recommendation that the executing agencies of the Programme should review their operational support systems, working methods, arrangements and staffing with a view to bringing about significant reductions in over-all support costs;

"4. Urges all Governments to renew their efforts to provide UNDP with the resources necessary for the implementation of activities for the 1977-1981 programming cycle, which are based on an over-all annual growth rate of resources of 14 per cent, thereby providing the sound financial basis needed to implement the Programme's planned activities during the third programming cycle, 1982-1986, which for the purpose of forward planning also assumes an over-all average annual growth of resources of at least 14 per cent;

"5. Stresses that the realization of the goals and objectives of the International Development Strategy for the Third United Nations Development Decade will require a renewed emphasis on technical co-operation and a significant increase in the resources provided for this purpose."

FAO Co-ordination Activities within the UN system, including follow-up of Conference Resolution 6/79 on Development Assistance for Food Production and Rural Development 23/

"Supported particularly the concept of "lead agency" in the allocation of executing responsibilities for multi-disciplinary projects and stressed the importance of utilising the technical and development experience accumulated by FAO in the execution of all UNDP-assisted agricultural and rural development projects which fell exclusively or mostly within the competence of FAO.

"Commended the initiatives taken by the Director-General and the Administration of UNDP in building up closer and more effective co-operation between their respective organisations, both at the policy as well as the country level.

"Welcomed the UNDP Governing Council decision on "Development Assistance for Food Production and Rural Development" as well as the joint letter to FAO and UNDP field representatives, signed by the heads of the two organisations, which fully recognised the importance of agriculture and food production in the developing countries and the pivotal role of FAO within the UN system in assisting efforts of the developing countries in these sectors.

"Supported the Director-General's decision to participate in the UNDP Inter-Agency Task Force on a continuing basis.

"Called up all member countries to take every possible step to ensure that UNDP resources grew in a way commensurate with its responsibilities as the main financing organisation for technical assistance within the UN system."

FAO UNDP Support Costs 24/

"Agreed that the primary objective was to maximise the use of funds made available to UNDP in the interests of donor and recipient governments and that every effort should be made to keep total support costs to the minimum necessary compatible with the need for maintaining the necessary quantity and desired quality of support.

"Confirmed that all the ample information available to the Governing Council of UNDP should continue to be supplied together with any other information relevant to the use of UNDP support costs, provided this did not involve infringement of the responsibility on the competence belonging only to FAO's Governing Bodies to judge the use and management of the totality of FAO's activities, funded from all sources, nor the introduction of new cost measurement system which would only add to rather than reduce support costs, ..."

WMO 10 (EC-XXXII) Participation of WMO in UNDP 28/

"Urges:

"1. Recipient Member countries to continue to propose the inclusion of UNDP country projects in the fields of meteorology and operational hydrology in the UNDP country programmes and to give high priority to inter-country projects in meteorology and operational hydrology, particularly those involving training matters such as seminars and regional fellowships, including fellowships in a third country.

Requests the Secretary-General:

"1. To bring to the attention of the Administrator of the UNDP the importance of continuing to review and improve procedures whereby specialized agencies such as WMO can play their full part in the second and third programming cycles;

"2. To assist permanent representatives in requesting technical assistance and make specific proposals to UNDP resident representatives for projects to satisfy these requirements;

"3. To keep the permanent representatives informed of changes in the UNDP procedures related to WMO activities and the schedule of country programming in their own countries;

"4. To convey to the Administrator of UNDP the views of the Executive Committee concerning the importance of regional and inter-regional projects in WMO's field of competence with a request that adequate priority be given to such projects;...

"6. To convey to the Administrator of UNDP WMO's concern over the financial implications for the Organization's budget if the UNDP flexibility provision on administrative costs is maintained at the present expenditure level of \$10 million and to urge him, as appropriate, to raise this level to \$15 million."
