1/ Category C

Note - The relationship between the UNDP-assisted projects and the reported investment commitments are classified by the following three category classification system:

Category A relates to reported investment commitments for which the UNDP-assisted project carried out micro-type pre-investment studies such as identification studies, pre-feasibility studies, feasibility studies, final engineering and design, etc.,

Category B relates to reported investment commitments which resulted from UNDP-assisted macro-type studies such as general area or regional planning studies, sector or subsector development studies, natural resources surveys, master plans etc.

Category C relates to reported investment commitments for which the UNDP-assisted project is providing technical assistance support such as assistance in the execution and supervision of reported investment projects including training of required technical staff for the reported investment, etc.

UNDP: Trust Fund Administration

1. United Nations Trust Fund for Operational Programme  
in Lesotho

The Trust Fund was established to finance a number of operational and administrative-type experts posts in Lesotho, covering a variety of fields from industrial development and educational planning to road transportation and tourism. The Trust Fund also seeks to assist "in the development of sound Government infrastructures which are of prime importance to Lesotho". Allocations of \$343,896 were issued in 1981. The financial position of the Trust Fund as at 31 December 1981 was as follows (figures subject to audit);

	US\$
Unexpended balance as at 1 January 1981	1,081,697
Excess of income over expenditure in 1981	199,579
	<hr/>
Balance as at 31 December 1981	1,281,276
	<hr/>
Unspent allocations <sup>1/</sup>	1,893,021
	<hr/>

The above commitments in excess of income will be covered by further contributions from the Swedish International Development Authority (SIDA).

2. United Nations Trust Fund for Operational Personnel  
in Swaziland (OPEX)

The Trust Fund was established to finance a number of projects in Swaziland, similar to the ones described under the Trust Fund for Lesotho. Allocations of \$256,374 were issued in 1981. The financial position of the Trust Fund as at 31 December 1981 was as follows (figures subject to audit):

	US\$
Unexpended balance as at 1 January 1981	211,819
Excess of expenditure over income in 1981	(196,148)
	<hr/>
Balance as at 31 December 1981	15,671
	<hr/>
Unspent allocations <sup>1/</sup>	43,211
	<hr/>

Further contributions from the Swedish International Development Authority (SIDA) are expected.

<sup>1/</sup> Balance of approved budgets not spent

3. Trust Fund Programme for the Republic of Zaire

Full-scale operations under this Trust Fund ended in 1971. The financial position of the Trust Fund as at 31 December 1981 was as follows (figures subject to audit):

	<u>US\$</u>
Unexpended balance as at 1 January 1981	16,362

4. UNROB Residual Funds - Bangladesh

The United Nations Special Relief Office in Bangladesh (UNROB) was a continuation of the United Nations Relief Operations in Dacca (UNROD). UNROD was established in January 1971 by a resolution of the General Assembly and completed its activities on 31 March 1973. It was succeeded on 1 April 1973 by the United Nations Special Relief Office in Bangladesh (UNROB). The Secretary-General transferred most of the unexpended funds remaining for the United Nations Special Relief Office in Bangladesh to the Administrator of UNDP and these funds are being used specifically for projects proposed by the Government of Bangladesh within the broad framework of relief and rehabilitation activities.
