UNDP FINANCIAL REGULATIONS

Trust funds established by the Administrator

Report of the Administrator

Summary

This document contains information on those trust funds which the Administrator has established in 1982 under the authority granted to him by Regulation 5.1 of the UNDP Financial Regulations.
1. Regulation 5.1 of the UNDP Financial Regulations, which were adopted by the Governing Council at its twenty-eighth session (decision 81/28), gives the Administrator the authority to establish trust funds for specified purposes consistent with the policies, aims and activities of UNDP.

2. Regulation 5.1 further states that "Trust funds established by the Administrator shall be reported in detail to the Governing Council through the Advisory Committee [on Administrative and Budgetary Questions (ACABQ)];" accordingly this report has been submitted to the ACABQ.

3. It should be noted that this report, which is now prepared on an annual basis, covers all trust funds established by the Administrator for which the appropriate arrangements had been finalized on or about the end of the preceding calendar year.

4. None of the trust funds entered into in 1982 and reported in the annex to this paper is conditioned on procurement from the donor country. The special report requested by the Council on trust funds which are conditioned on procurement from a donor country, and which may be established by the Administrator under the limited authority granted to him under paragraphs 4 and 5 of decision 82/5, Part IV, will be submitted separately to the thirtieth session of the Council in a Conference Room Paper. This Conference Room Paper will provide the latest information available concerning any agreements entered into or negotiations taking place in respect of such funds in the first part of 1983.
