Addendum

1. Since the preparation of document DP/1983/7, which contained information on 10 reports of the Joint Inspection Unit (JIU) of interest and concern to UNDP and to the Governing Council, three more reports of the JIU of similar interest and concern have been issued. The titles of these three reports are listed below, together with pertinent information regarding their present status.

JIU/REP/83/3 Progress Report on the Implementation of Recommendations on Regional Programmes in the Conservation and Management of African Wildlife

2. The report was issued by JIU in mid-March 1983 and will be circulated among members of the General Assembly by the Secretary-General under the appropriate agenda item of the Assembly's thirty-eighth session. Officials of the UNDP Regional Bureau for Africa co-operated in the preparation of the report; the United Nations Economic Commission for Africa will be responsible for the preparation of the relevant comments of the Secretary-General. A summary of the report and of its main conclusions and recommendations will be found in document A/38/34.

JIU/REP/83/4 Field Offices of the United Nations Development Programme (UNDP)

3. The report was issued by JIU in the latter part of March 1983 and will be circulated among members of the General Assembly by the Secretary-General under the appropriate agenda item of the Assembly's thirty-eighth session. In view of the significance of the report to UNDP and the Governing Council, moreover, the complete text will be distributed to the members of the Governing Council under document DP/1983/67. In addition, since UNDP has been requested to prepare the relevant comments of the Secretary-General, the Administrator will apprise members of the Council of the main thrust of these comments when the question of JIU reports is considered at the thirtieth session.

JIU/REP/83/5 Report on the Evaluation System of the United Nations Development Programme

4. The report was issued by JIU in late March 1983 and will be circulated among members of the General Assembly by the Secretary-General under the appropriate agenda item of the Assembly's thirty-eighth session. The complete text of this report will also be distributed to the members of the Governing Council at the thirtieth session under document DP/1983/68. UNDP has been requested to prepare the relevant comments of the Secretary-General on the report and, accordingly, the Administrator will inform members of the Council of his views when the report is considered.
