^{a/} Data based on reports from 89 UNDP field offices.

^{b/} i.e., where field office support of project was in the nature of a major contribution. (e.g. expert and equipment clearances, fellowship recruitment, local payments for agency regular or funds-in-trust expenditures.)

^{c/} i.e., where field office support was minimal compared to overall need for project support. and administration. (e.g. initial discussions, information provided to other agencies.)
