OTHER MATTERS

ACTION TAKEN BY OTHER ORGANS OF THE UNITED NATIONS SYSTEM IN 1985

Note by the Administrator

Summary

In accordance with established practice, the attention of the Governing Council is drawn to resolutions and decisions adopted in 1985 by the General Assembly, the Economic and Social Council and organizations of the United Nations system which call for action by, or are of relevance to the United Nations Development Programme and its Governing Council.

For this purpose, the appropriate paragraphs have been quoted. However, in accordance with Governing Council decision 79/14, the texts of resolutions already referred to in the documentation presented to the Council under other items are not reproduced in the documentation under this item. For those resolutions of general interest to the Governing Council and UNDP, only the titles have been given. This is in line with General Assembly resolution 2839 (XXVI) of 17 December 1971, which states in paragraph 3(d) that "the texts available in easily accessible documents should not be incorporated in or annexed to reports". Moreover, resolutions and decisions have not been quoted in extenso because of the need to achieve greater brevity as called for in General Assembly decisions on strict limitation of documentation. For the same reason, the resolutions and decisions of the General Assembly on special programmes of economic disaster, humanitarian relief and other assistance have not been reproduced in this document, but are listed.

The paragraphs of the resolutions adopted by the General Assembly and the Economic and Social Council in 1985 regarding UNDP specifically are reproduced in sections I and II. The other resolutions are listed in numerical order by title. Resolutions and decisions adopted by organizations of the United Nations system are contained in the addendum to this document.
