ACTION TAKEN BY OTHER ORGANS OF THE UNITED NATIONS SYSTEM IN 1985

Assistance to Mauritania, Kiribati and Tuvalu

Draft decision submitted by the President of the Council-

- The Governing Council,

Considering that, by its resolution 40/219, paragraph 6, the General Assembly asked UNDP to take special measures for Mauritania, pending examination of its situation by the Committee for Development Planning, which recommended that Mauritania be included in the least developed countries,

Noting that the Committee for Development Planning has recommended to the General Assembly the inclusion of Kiribati and Tuvalu in the list of Least Developed Countries,

1. Invites the Administrator to take such steps as may be possible to implement the above General Assembly resolution as well as to ensure that Mauritania receives such benefits as it may be entitled as an LDC, when the General Assembly approves the recommendation of the Committee for Development Planning,

2. Further invites the Administrator to take similar action in respect of Kiribati and Tuvalu.
