Thirty-third session
2-27 June 1986, Geneva
Item 6 of the provisional agenda
UNFPA

P O L I C Y

UNITED NATIONS FUND FOR POPULATION ACTIVITIES

PROPOSED PROJECTS AND PROGRAMMES

Recommendation by the Executive Director

1. By decision 73/43, adopted at its sixteenth session in June 1973, the Governing Council, inter alia, requested the Executive Director to submit to it summaries of the following types of projects for prior approval: (i) comprehensive country agreements; (ii) projects and programmes in amounts of \$1 million or more; and (iii) projects which because of their innovative aspects or policy implications deserved the Council's consideration and approval.
2. The Executive Director recommends that the Council note that, in view of considerable uncertainty as to the level of contributions to UNFPA in 1986 and the following years, all country programmes except the one for the Democratic People's Republic of Korea are presented with two levels of UNFPA funding. Depending on the availability of UNFPA resources, either the higher or the lower level will be made available. Should only the lower level be available from UNFPA resources, UNFPA will seek resources under multi-bilateral funding.
3. Accordingly, the Executive Director recommends that the Council approve proposed UNFPA assistance to the large-scale country programmes or projects for:
 - Africa: Mozambique (DP/FPA/PROJECTS/REC/30), Zaire (DP/FPA/PROJECTS/REC/26);
 - Asia and the Pacific: Pakistan (DP/FPA/PROJECTS/REC/28), Democratic People's Republic of Korea (DP/FPA/PROJECTS/REC/27);
 - Middle East and Mediterranean: Egypt (DP/FPA/PROJECTS/REC/29), Jordan (DP/FPA/PROJECTS/REC/31), Syrian Arab Republic (DP/FPA/PROJECTS/REC/32);
 - Interregional: Global Training Programme in Population and Development: Establishment of the International Centre for Training and Research in Population and Development in Association with the United Nations at the Catholic University of Louvain, Louvain-la-Neuve (DP/FPA/PROJECTS/REC/33).
