DRAFT DECISION

FOURTH CYCLE INDICATIVE PLANNING FIGURE FOR NAMIBIA

The Governing Council,

Having considered the Report of the Administrator on the fourth cycle indicative planning figure for Namibia (DP/1987/24);

Taking note of the views expressed thereon by various delegates, including representatives of the United Nations Council for Namibia, and the Office of the Commissioner for Namibia;

Taking further note of the fact that appropriate measures are already under consideration by the concerned governing bodies, for increasing the effectiveness of the Namibian institutions funded by UNDP and the cost-effective utilization of additional resources to be placed at their disposal;

Decides:

1. To exceptionally increase by \$3 million, the fourth cycle IPF for Namibia;
2. That this new, higher level of the IPF will be exceptionally valid for the fourth cycle only, and that subsequent IPF levels will be based on applicable criteria for determining country IPFs;
3. To request the Administrator to authorize additional funding over and above the first \$6.3 million of this IPF only on his being satisfied that the measures now under consideration for increasing the cost-effective utilization of additional resources are actually being implemented;
