EXTENSION OF THE THIRD COUNTRY PROGRAMME FOR SIERRA LEONE

Note by the Administrator

1. The third country programme for Sierra Leone (DP/CP/SIL/3), which was approved by the Governing Council at its special meeting in May 1982, expired at the end of 1986. A review of the third country programme has taken place, and the fourth cycle (1987-1991) programming exercise is under way. However, given the need to ensure the compatibility of the programme with the short- and long-term economic reform measures being undertaken by the Government, it has not been possible to finalize the new country programme for submission to the Governing Council at its thirty-fourth session in June 1987. In accordance with Council decision 81/15, the Government has requested the Administrator to extend the third country programme by one year.
2. The fourth country programme will be submitted to the Governing Council for approval in February 1988.
3. The Administrator wishes to inform the Council that he has approved the extension of the third country programme for Sierra Leone for a period of one year, to the end of 1987.
