SWITZERLAND:

Mid-term reviews of country, regional, interregional and global programmes

Draft decision

The Governing Council,

Having examined documents DP/1988/19 and Add.3 describing the measures taken by the Administrator in view of the mid-term review of country programmes,

Stressing the importance of these reviews for the efficient implementation of the Programme,

1. Requests the Administrator to carry out a mid-term review for each country programme approved for the Fourth Programming Cycle;

2. Takes note of the format envisaged for the mid-term review reports to be prepared at the field level and requests that these reports should in addition contain information on the programming of the additional IPF-resources made available according to decision ___________

3. Invites the Administrator to undertake an external evaluation of a representative sample of country programmes;
4. **Requests** the Administrator in his reports to the Council to include both aggregated data on all mid-term reviews carried out and in-depth information on a representative sample of country programmes as well as an analysis of the main findings and results of the different reviews;

5. **Invites** the Administrator to report to the organizational session of the Council in February 1989

(a) on the time-table envisaged for the different mid-term reviews and reporting on them to the Council,

(b) on measures taken to carry out mid-term reviews of regional, interregional and global programmes and on how and when he intends to report to the Council on these reviews.
