2. At its organizational meeting, on 19 February 1991, the Governing Council, by its decision 91/1 of 22 February 1991, approved the provisional agenda for its thirty-eighth session, scheduled to be held from 3 to 21 June 1991 in New York (DP/1991/L.7), and decided to allocate the following items to the Budgetary and Finance Committee:

3. In accordance with Governing Council decisions 86/53 of 27 June 1986 and 91/1, the Budgetary and Finance Committee will also review the financial implications of draft decisions before the Council takes action thereon. Consequently, provision must be made for the Committee to review all documents having financial implications, including draft decisions formulated by the Drafting Group and the Standing Committee for Programme Matters, as well as other matters which the Council may wish to refer to under item 6 of the provisional agenda of the Committee. For the present, it is assumed that the Council may refer the following items of its provisional agenda, in total or in part, to the Budgetary and Finance Committee. Tentative provision has therefore been made for these items (see annexes II and III of the present document).

Item 4 (c). Programme implementation: national execution

Item 5 (b). Programme planning: preparations for the fifth programming cycle

Item 5 (c). Programme planning: support costs: successor arrangements

Item 9. Senior management structure

4. Annex I, which contains the provisional agenda of the Budgetary and Finance Committee, should be considered indicative in nature so that the Committee may be in a position to take up items on a more flexible basis. Should the Committee complete consideration of an item before the date indicated, it would move immediately to the next item on its work schedule.

5. In Governing Council decision 88/49 of 1 July 1988, the attention of members is drawn to the following two General Assembly documents which are relevant to the subject of audit reports (agenda item 10 (c) (item 3 (c) of the provisional agenda of BFC)).
