(c) Audit reports and other matters  
(Documents DP/1992/41 and DP/1992/42 and Add.1)

DP/1992/41 contains the comments of the Administrator concerning the interim report of the United Nations Board of Auditors on the financial statements of UNDP for the year ending 31 December 1990, the first year of the biennium 1990-1991. In particular, it provides further information on

follow-up action taken in response to Governing Council decision 91/47 of 21 June 1991 and General Assembly resolution 46/183 of 20 December 1991.

The note by the Administrator contained in document DP/1992/42 summarizes the action taken by the executing agencies in response to the significant observations of their external auditors on their 1990 accounts relating to funds allocated to them by UNDP. Document DP/1992/42/Add.1 contains the audit reports of the executing agencies as at 31 December 1990.

(d) Status of management services  
(Document DP/1992/43)

The Governing Council will have before it for consideration under this item a report submitted in response to decision 88/54 of 1 July 1988, in which the Council requested the Administrator to report every two years on the status of management services undertaken by UNDP. It reports on the latest experience of UNDP in providing management services in the period 1990-1991 and responds to the questions raised in decision 90/46 of 22 June 1990.

(e) Financial regulations: Matters on which consensus has not yet been achieved  
(Document DP/1992/44)

By its decision 90/49 of 22 June 1990, the Governing Council decided to consider, at its thirty-ninth session, the proposed financial regulation 4.6 and other matters on which consensus was not reached at the thirty-seventh session. As no new elements regarding this subject have been introduced since the thirty-third session of the Council, the note submitted for that session will be reproduced in document DP/1992/44. It will provide the Council with the basis for its consideration at the thirty-ninth session.

11. Other matters

Under this item the Governing Council will consider the following subjects:

(a) Venue of sessions of the Governing Council  
(Documents DP/1992/49 and DP/1992/L.5)

In its decision 92/3 of 14 February 1992, the Governing Council decided to review the issue of the venue of its sessions at the thirty-ninth session (1992) and to include such an item in its provisional agenda. In the same decision, the Council also decided to transmit the text contained in document DP/1992/L.5 entitled "Venue of the Governing Council" for consideration at its thirty-ninth session. The report of the Administrator prepared for this item contains information on, inter alia, cost estimates of holding a session in Geneva or New York, as requested in decision 92/3.

(b) Senior management structure  
(Document DP/1992/45)

The report of the Administrator on senior management structure has been prepared in response to Governing Council decision 91/43 of 25 June 1991. It outlines the legislative background, as well as the context in which efforts to improve effectiveness and efficiency within UNDP have been undertaken. It also describes the consultative process which preceded the report. It further describes modalities aimed at strengthening the policy and strategy formulation capacity of UNDP and the evaluation function, and deals with issues relating to improved programme quality and accountability. It also describes the pilot exercise in enhanced divisional management, outlines the structure and functions of the new Bureau of External Relations and responds to the specific request concerning the legal status of the Governing Council secretariat. Finally, it addresses the issues relating to the Office for Project Services (OPS) and the senior management structure, while information relating to other aspects of the operations of OPS is contained in annex III.

(c) The Commonwealth of Independent States and the Baltic States: Ways of establishing a United Nations presence  
(Document DP/1992/51)

The Governing Council will have before it a report of the Administrator in response to paragraph 3 of decision 92/8 of 14 February 1992.

12. Matters relating to the work of the Council in 1993  
(Document DP/1992/L.14)

In accordance with its decision 81/37 of 27 June 1981, the Governing Council will have to decide on the dates of its meetings during 1993, on an indicative quota for documents and on any other matter of relevance for the conduct of future sessions.

In paragraph 10 of its decision 92/2 of 14 February 1992, the Governing Council decided to review, at each of its sessions, the subjects planned for inclusion in the agenda of the following session, with a view to eliminating consideration of those subjects that are no longer relevant and to streamlining further the agenda of the Council. In document DP/1992/L.14, annex II, the secretariat has provided a table indicating the subjects included in the agenda of the Governing Council for the period 1991-1994.

In paragraph 12 of decision 92/2, the Governing Council decided to examine on the penultimate day of each session a comprehensive list of the reports being requested in draft Council decisions, with a view to reducing the overall number and volume of separate reports.
