COUNTRY AND INTERCOUNTRY PROGRAMMES AND PROJECTS
APPROVAL AUTHORITY

Request for authority to approve assistance to the Kampuchean people

Note by the Administrator

CORRIGENDUM

Replace para. 3 with the following text:

3. Due to the country's particular situation, the Administrator is unable to indicate when its next country programme will be ready for submission to the Council. Should the situation change and the Administrator thereafter determine that a programme, in conformity with UNDP guidelines, may be presented, he will seek the authorization of the Governing Council by means appropriate at that time, prior to the presentation of the programme, to proceed with preparatory assistance to identify and formulate projects which will be presented to the Council for its consideration and approval. By proceeding in this manner, it would be possible to act speedily while at the same time ensuring that UNDP's procedures are fully observed.
