EXTENSION OF THE SECOND COUNTRY PROGRAMME FOR EQUATORIAL GUINEA\*

Note by the Administrator

1. The second country programme for Equatorial Guinea (DP/CP/EQG/2) will be completed at the end of 1986. The Government wishes to postpone the third cycle (1987-1991) programming exercise, pending the outcome of the round table conference scheduled for March/April 1987 in Geneva. The rationale is to base the content of the third cycle programme on the development strategy and priorities which the Government and the international donor community will have established at the round table conference, and follow-up sectoral consultations.
2. In accordance with the procedures contained in document DP/518/Add.1, endorsed by Council decision 81/15 (E/1981/61/Rev.1, annex I), the Government of Equatorial Guinea has requested that its second country programme be extended for one year, until December 1987. The objectives of the country programme as approved by the Council remain unchanged.
3. The third country programme will be submitted to the Council in 1988.
4. The Administrator wishes to inform the Council that he has approved the extension of the second country programme for Equatorial Guinea for a period of one year, until December 1987.

\* The second country programme for Equatorial Guinea, for the period 1982-1986, was approved by the Governing Council at its thirtieth session (E/1983/20, annex I).
